Note: FROM BETWEEN THE NANTICOKE AND THE CHOPTANK

"Christina Andrew House, East New Market, 1892, Private
Much of the original fabric of this house has been obscured by modern siding and an unattractive metal porch. It was built in 1892 by Christina Andrew, whose husband, Tilghman Andrew, had bought the property in 1879

Generally, the simple vernacular houses along the southern part of Maryland Route 14 are smaller and less imposing than the dwellings built at the turn of the century in the northern part of East New Market."
